ARCHITECT / ENGINEERING SERVICES

WIDENING OF TWO ROADWAYS IN GREENVILLE COUNTY

NOTICE TO ALL CONSULTING ENGINEERING FIRMS

The South Carolina Department of Transportation (SCDOT) requests a letter of interest & a current resume of qualifications from all interested consulting firms experienced in providing engineering services necessary for the preparation of preliminary plans & studies & environmental documentation for widening two roadways in Greenville County in South Carolina. One proposed project consists of widening SC 101/ SC 290 (North Buncombe Road) to a five lane section from US 29 (Wade Hampton Boulevard) to SC 290 (Locust Hill Road). Another proposed project consists of widening Secondary Route 164 (Batesville Road) to a five lane section from SC 14 to Secondary Route 95 (Anderson Ridge Road).

Requested services include, but are not limited to, project management, traffic studies, environmental studies & documentation, preliminary plans, public information meeting, final right-of-way plans, final construction plans, construction phase services & other duties deemed necessary. The project as proposed must be completed on an accelerated schedule.

In consultant selection, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the following: experience, qualifications, & technical competence of the staff proposed for the type of work required (25%); past performance of the proposing firm & subconsultants proposed on similar type projects and/or ability to perform all aspects of services (20%); past performance in utilizing DBEs (5%); familiarity of proposed staff with SCDOT practices & procedures (15%);

availability of key staff & the ability to mobilize quickly & meet project schedules (25%); DBE utilization plan (5%); & current volume of work with SCDOT (5%). Each proposal is required to indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal.

Consulting firms interested in being considered for these projects should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, FORM SF 330 this form is to be provided for the primary firm & any subconsultants, a listing of all Disadvantaged Business Enterprises (DBE) including the State of Certification, Discipline & Percentage of usage/obligation on this project & any other pertinent information. The preceding, with the exception of Form SF 330, shall be limited to 20 double-spaced pages printed on one side only. The SCDOT selection will be based on information submitted; however, additional information and/or an interview may be required. SCDOT intends to select two firms, with SCDOT deciding which firm to assign to which project.

All responders must visibly mark as "Confidential" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to release in accordance with law. Proposer should be prepared, upon request, to provide justification of why such materials should not be disclosed under the South Carolina Freedom of Information Act, S.C. Code Section 30-4-10, et seq.

Consultants shall comply with Title VI of the Civil Rights Act of 1964. The SCDOT strongly encourages the use of & involvement of Disadvantaged Business Enterprises (DBE) on this project.

The SCDOT has established a maximum hourly rate for firm's employees of \$43.00. The contract will be on the basis of costs plus a fixed fee with a contract maximum or

a lump sum basis at the discretion of the SCDOT.

All proposals should be submitted to Wendy Hollingsworth, Manager of Federal Procurement, Office of Procurement, Rm. 101, at the SC Dept. of Transportation, PO Box 191, Columbia, SC, 29202, or 955 Park Street, Rm. 101, Columbia, SC, 29201, no later than 2:00pm, August 26, 2008.

Requests for copies of the anticipated scope of improvements should be directed to SCDOT Program Manager Tommy Elrod, P.E. at (864) 241-1010 or elrodjt@scdot.org.
